

# JTK<sup>®</sup>

Provide customers with satisfactory products and services

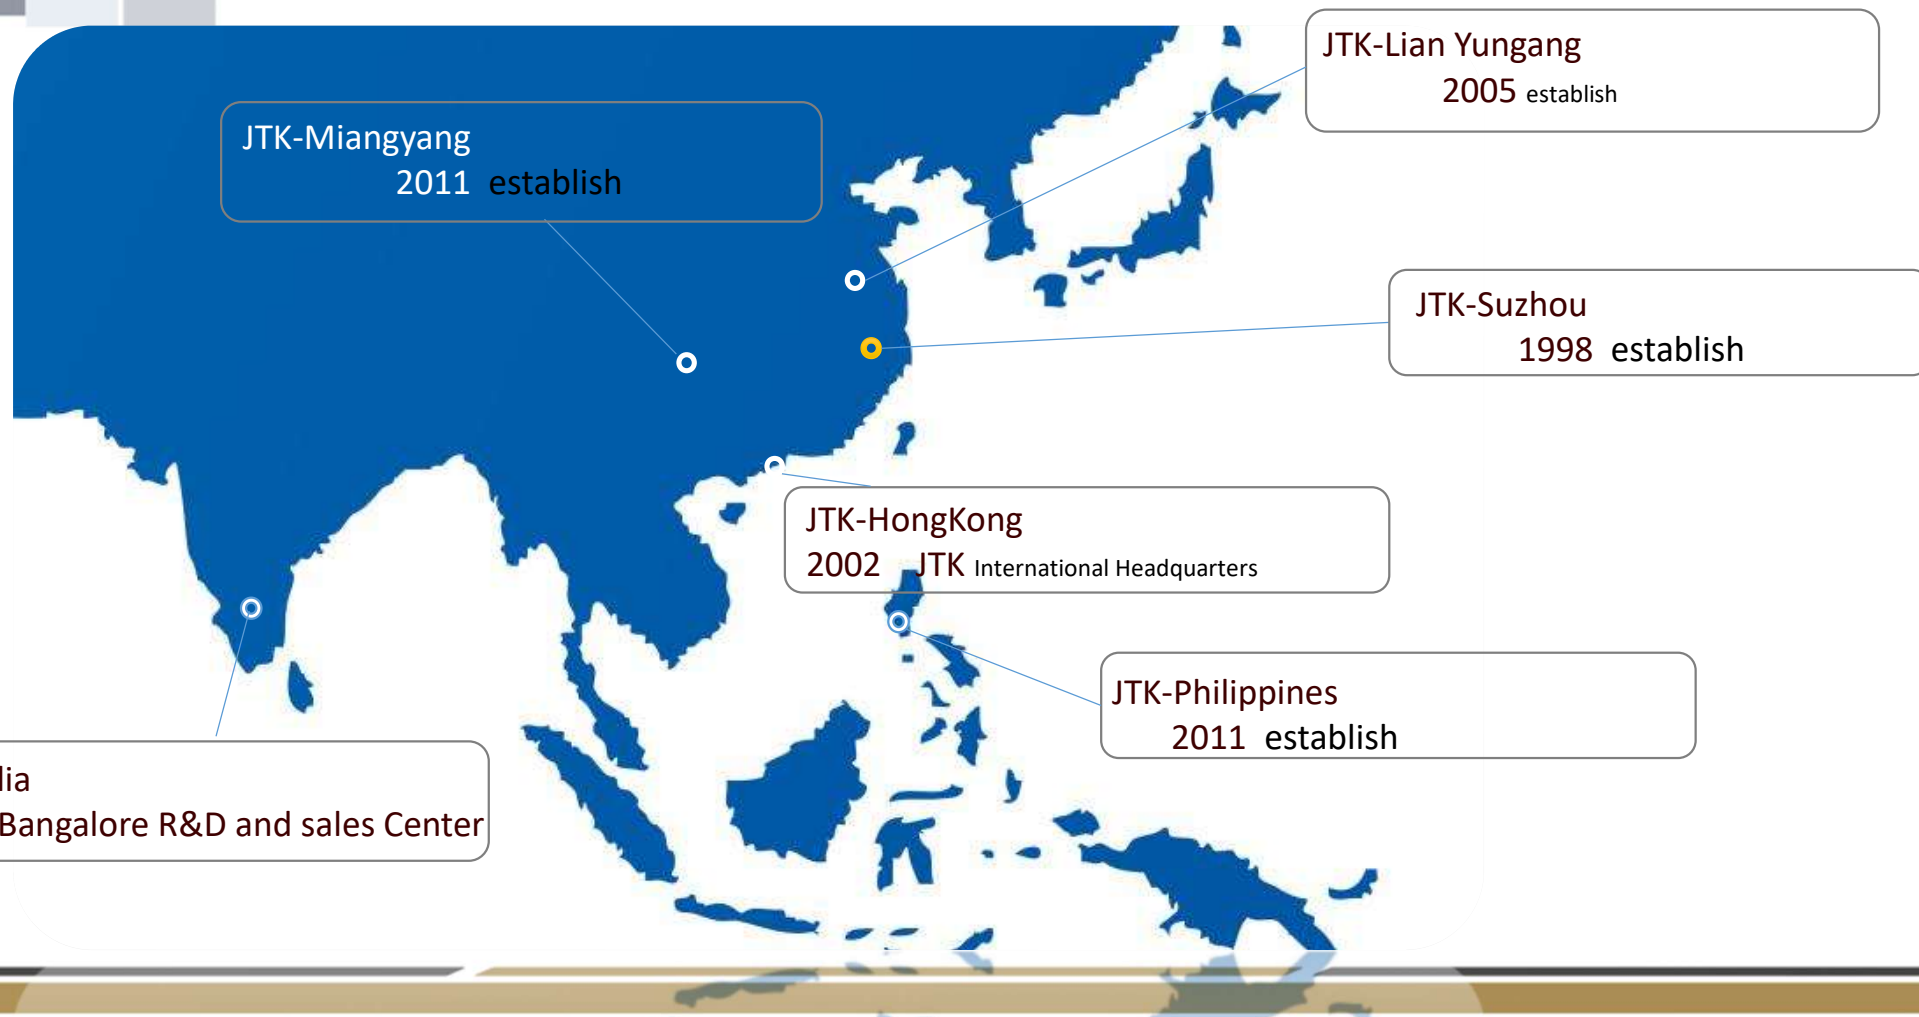

## Company Profile

JTK Technology Co., Ltd. was founded in 2002, specializing in the design, manufacturing and export of various inductors, electronic transformers, photovoltaic inverter coils, mutual inductors and wire harnesses. Its products are mainly applied in the lighting, industrial control, new energy and household appliance industries.

As of 2026, JTK Group has more than 650 regular employees, over 40 professional R&D personnel, an annual R&D investment of 1.3 million US dollars, an annual production capacity of more than 150 million units, and an annual sales volume exceeding 200 million RMB.

The company has a sound quality assurance system and has obtained UL, CQC, and TUV certifications; it passed the ISO9001 quality system certification in 2002; and the ISO14001 environmental system certification in 2005. In 2022, it passed the IATF16949 system certification. These ensure high-quality products, attracting and maintaining a strong customer base.

Located in Suzhou Cao Lake National Industrial Park, with a construction area of 18,000 square meters

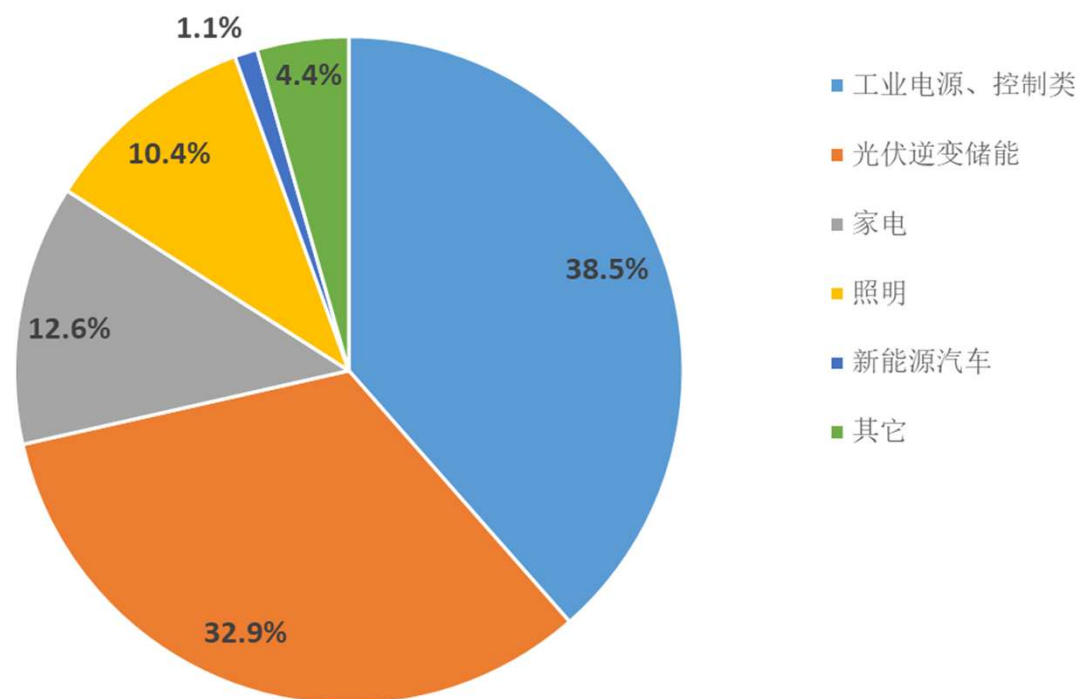

## JTK Group – Overseas Factory

- JTK (Philippines) Electronic Components Co., Ltd., 20 kilometers south of Manila
- ISO9001 and UL certified

## Proportion of JTK Group's Customers (by Industry)

按行业销售额占比 By industry sales proportion

## Main customers

SAMSUNG

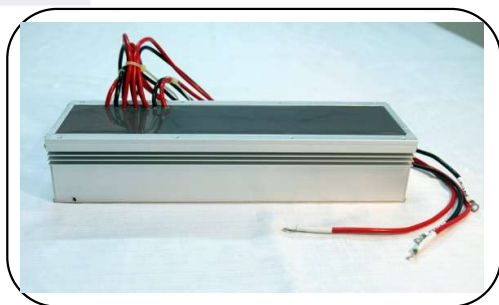

JABIL

flex

CHANGHONG 长虹® solar edge

## Company Product Display (1)

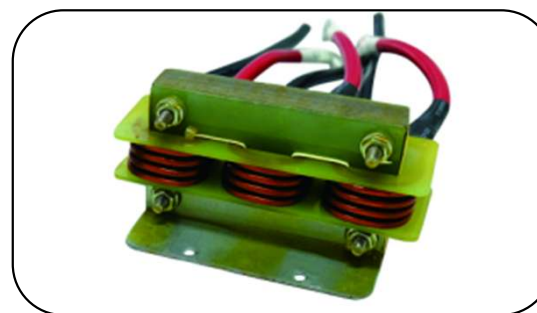

**Photovoltaic E-type Potting and  
Toroidal Inverter Inductors**

**High-power energy storage inductors and reactors**

## Company Product Display (2)

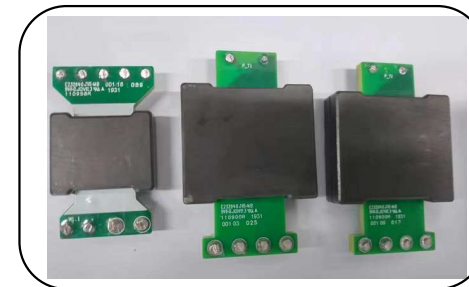

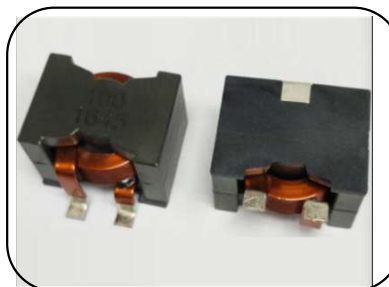

低频环形大功率变压器

光伏并网汇流逆变器

电抗器

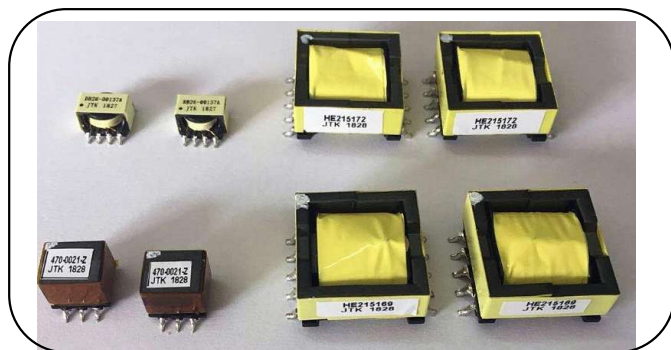

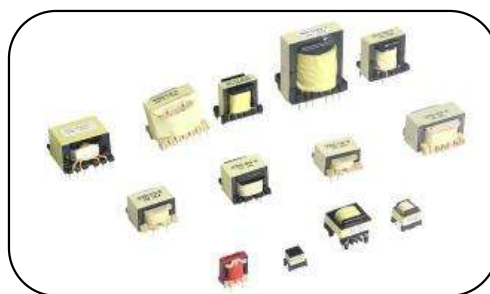

扁平设计电感及PCB集成变压器

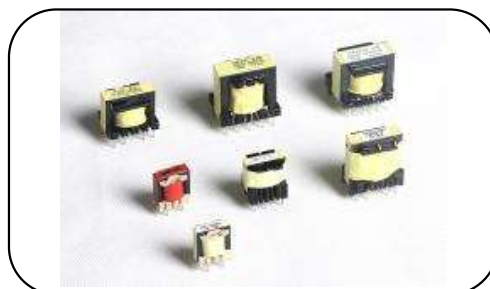

## Company Product Display (3)

**EI 型低频铁芯变压器**

**SMD 贴片电感、变压器**

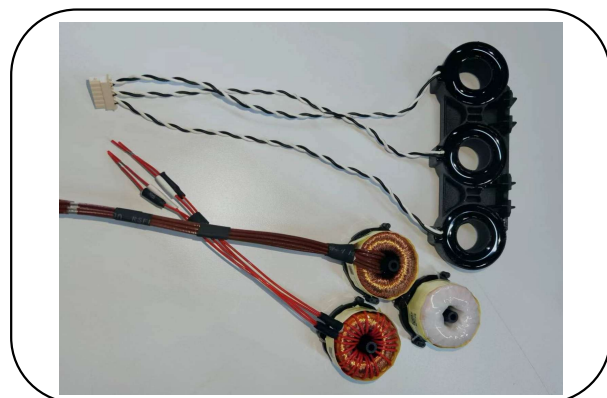

**EE/EF/EI /EP/PQ  
型高频变压器**

**大功率高频变压器**

## Company Product Display (4)

UU/UI/UF/ET 型滤波器，  
及各类电流、电压互感器

R型、棒型线圈及抗干扰器件
